

USAID Business Enabling Project

The USAID Business Enabling Project is a five-year, USAID-funded project implemented by Cardno Emerging Markets USA, Ltd. to assist the Government of Serbia to strengthen the business environment, fiscal and macroeconomic management, financial market development and business education throughout the country. It will provide long-term technical assistance and other support to help advance legal and regulatory reforms, build institutional and professional capacity, improve public education, and other activities as may be requested by the Government of Serbia.

Cardno Emerging Markets INVITES talented and ambitious final year students or recent graduates of Economic, Law, Social or Organizational Science to apply for the

Internship Program

Internship activities include:

- Support for research and survey projects
- Research and analysis of relevant laws, regulations, and practices related to business environment in Serbia
- Gathering and analysis of data to support project work
- Other logistic support to project activities.

Candidates are expected to have:

- GPA during undergraduate studies 8.5 or higher
- Native Serbian and very good knowledge of English language
- Excellent computer skills and proficiency in Microsoft Office applications (Word, Excel and PowerPoint)
- Good organizational skills.

Application:

Qualified applicants are requested to send a motivation letter, between one and three pages, CV, transcript, and two recommendation letters. All materials shall be submitted in English by October 07, 2015, to the following e-mail address: info@bep.rs.
